Every time, we have a fight..we flip a coin, to see  
  
who s riiiiiiight.

#1.

**A**    **F#m**  
Why do we have to gamble, just to see who s right?  
**A**    **F#m**  
Why can t we, arbitrarily, resolve a fight?  
**D**    **E**  
But with your style of gamblin , there s no chance to win.  
**D**    **E**  
That s how it is, and that s the way it s always been.

CHORUS:

**F#m**                    **E**  
Heads, you win..tails, I lose.  
**F#m**                    **E**  
Heads, you win..tails, I lose.  
**A**  
Bad news.

#2.

**A**    **F#m**  
If we were playing cards, you d be the one to deal.  
**A**    **F#m**  
You d play with loaded dice and fix the roulette wheel.  
**D**    **E**  
You pick em at the races, like I ve never seen.  
**D**    **E**  
And then you make me pay off, like a slot machine.
