[Intro]

D
Ahhhhhh oooooo

[Verse 1]

D **F#m**
This is the way
G **A**
I always dreamed it would be
D **F#m**
The way that it is, oh oh
G **A**
When you are holding me
G
I never had a love of my own
A
Maybe that's why when we're all alone

[Chorus]

D
I can hear music
Em **A7**
I can hear music
D **Em** **A7**
The sound of the city baby seems to disappear
D
I can hear music
G **E7**
Sweet sweet music
D **Bm**
Whenever you touch me baby
Em **A7** **D**
Whenever you're near

[Verse 2]

Lovin you
It keeps me satisfied
And I can't explain, oh no
The way I'm feeling inside
You look at me we kiss and then
I close my eyes and here it comes again
(Back To CHorus)

[Bridge]

(Tacet)
I hear the music all the time, yeah
I hear the music, hold me tight now baby
I hear the music all the time
I hear the music
I hear the music (baby)

(After bridge, repeat to chorus until fade)
