

Isnt It Time
The Beach Boys

Verse 1:

After it's all be said
The music spinning in our head
Can't forget the feeling of
The magic of that summer love
Uh, I wanna take you there
Do you wanna turn back and they just
Remember is the photograph
The world is changed
And yet the game is still the same

Chorus:

A F#m
Isn't it time we danced the night away
A F#m
How about doing it just like yesterday?
D E
Every time I think of you
D E
All of things we used to do
A F#m
Remember those nights we spent just you and I
A F#m
Little did we know how the time would fly
D E
Isn't it time, oh, oh
D E
Isn't it time
Bm A
Oh, oh

Verse 2:

But good times never have to end

Now is the time to let them happen again

D **E**
We can have ourselves a blast, the good times they

D **E**
Are only in the past
