

Shelter

The Beach Boys

G#

Did you ever listen with the music missin'™

D#

Turn your radio on

G#

When the trees are swaying and the band is playing

D#

Our favorite song

A#m

G#

Shelter from the sunlight

A#m

G#

Shelter from the cold night

Gm

Just where I wanna be

Gm

Baby just you and me

C7

Staying at home

F

Summertime, take a few calls, make a little love

A#

Thank God for shelter

G#

A#

I ll give you shelter from the storm

Gm

C7

And a house to keep you warm

G#

I ll give you shelter through the night

A#

Gm

C7

And a chance to make this right

G#

Do you ever still think of me

A#

Gm

C7

And the way that we used to be

G#

When the world was just you and me

A#

D#

Hanging out in our shelter

G#

Now it s two o clock, lines around the block

D#

Waiting for the parade

G#

When the dark of night, or the bright sunlight

D#

Has you runnin for shade

A#m

G#

Together we can run and hide

A#m

G#

Maybe we can stay inside

Gm

Just where I wanna be

Hanging out in our shelter

G#

Do you think that you d ever stay

A#

Gm

C7

Take a page out of yesterday

G#

If we could only find a way

A#

D#

Hanging out in our shelter
