

Shes My Lady
The Beach Boys

This is one of the most amazing songs Iâ€™ve ever heard. It doesnâ€™t even sound finished

but itâ€™s such an expressive song. Itâ€™s haunting. Dennis Wilson really out did himself

here. I canâ€™t believe the Beach Boys shelved it! This could have been an amazing single

if they had cleaned it up a bit. Such a shame! Anyway, this is my first tab so there

might be some mistakes. So, if you see any email me at cherrywood_bed@hotmail.com.
