

Well Run Away  
The Beach Boys

**C** **Cmaj7 C7**  
We know they re right when they say we re not ready  
**F** **G** **Cmaj7**  
But all we care is how we feel right now  
**Em**  
We ll go ahead just the same  
**Am** **Dm7-5**  
Prepare to take the blame  
**Dm** **D7** **G**  
We ll run away and get married anyhow

**C** **Cmaj7 C7**  
They warned us that we can t live on love forever  
**F** **G** **Cmaj7**  
But we just tell them we ll get by somehow  
**Em**  
Our problems will be greater  
**Am** **Dm7-5**  
We ll worry bout them later  
**Dm** **G7** **C** **C7**  
We ll run away and get married anyhow

**F**  
If other kids went through it  
**Fm**  
Then I know we can do it  
**Em** **Am7**  
If our love is that much stronger  
**Dm7** **G7**  
It will last that much longer

**C** **Cmaj7** **C7**  
It wasn t too long ago when our folks were  
**F** **G** **Cmaj7**  
Were going through the same thing we are now  
**Em**  
But one thing they re forgetting  
**Am** **Dm7-5**  
A thing they re not regretting  
**Dm** **G7** **Bb7**  
They ran away and got married anyhow  
**Am**  
Anyhow  
**Dm** **F7** **C**  
They ran away and got married anyhow
