Let us not forget our history

F **G**

Whoa oh

Am

Someday we will find a place

G

Where beards are welcome on our face

Dm

F

Together we ll create a bearded race

F **G**

Whoa oh

Refrain:

Am

G

We ll start a bearded nation

Dm

A Bearded population

Am

G

G#

This is our aspiration

Am

G

This is an invitation

Dm

This join our congregation

F G

To join our bearded nation

Am G Dm F G

Verse 1:

Am

Our new found society

G

Will be built on equality

Dm

F

All our education will be free

F G

Whoa oh

Am

The bearded will walk hand in hand

G

The biggest beard will rule the land

Dm

F

All shaving devices will be banned

F G

Whoa oh

Refrain:

In our bearded nation
Our bearded population
This is our aspiration
This is an invitation
This join our congregation
To join our bearded nation

Bridge 1:

F

D

Someday we ll all be there

G

E

F G

In the land of facial hair

Verse 2 (same chords as verse 1 but picked)

Each bearded man s needs fulfilled
Doctors fees will be bulk-billed
The beardless will be rounded up and killed
We ll take them to an institution
Where they ll face state execution
By firing squad or electrocution

Refrain:

So join our
Bearded nation
Our bearded population
Our bearded operation
It s not an invitation
It is an expectation
You ll join our bearded nation

Bridge 2 (same chords as bridge 1)

And if you don t agree
With our autocracy
You ll be charged with treachery
And gunned down in the street

Refrain:

Bearded nation
Our bearded operation
This is our aspiration
It s not an invitation
To join our congregation
You ll join our bearded nation
