For I have got another girl, another girl  
**F7                                  G7                                  C7 G7**  
You re making me say that I ve got nobody but you  
**F7                                  G7                                  C7**  
But as from today, well, I ve got somebody that s new  
**D7**  
I ain t no fool and I don t take what I don t want

For I have got another girl another girl  
She s sweeter than all the girls and I met quite a few  
Nobody in all the world can do what she can do  
And so I m telling you, This time you d better stop

**G7 C7          G7 C7          Bb7**  
For I have got another girl, another girl  
**F7                                  Bb7 F7**  
who will love me till the end  
**Bb7                                  D7                                  G7 D7 G7**  
Through thick and thin she will always be my friend

I don t want to say that I ve been unhappy with you  
But, as from today, well, I ve seen somebody that s new  
I ain t no fool and I don t take what I don t want

**G7 C7          G7 C7          G7**  
For I have got another girl, another girl  
**G7 C7          G7 C7          G7**  
For I have got another girl, another girl.
