

# Continuing Story Of Bungalow Bill

## The Beatles

Hey everybody...I decided to take a break from limp and green day, so here s one of my pride and joys: The Continuing Story of Bungalow Bill by the Beatles. Perfect song for certain situations, yea, you all know what I m talking about!! Great for accustic guitars and wild parties...haha, enjoy...? Jen ?

NOTE: I included the solo that comes before the song (on the White Album, it is right at the end of track #5-Honey Pie (I think)
