I used to be cruel to my woman                      G F C G

I beat her and kept her apart from the things that she loved

Man I was mean but I'm changing my scene

And I'm doing the best that I can

I admit it's getting better

A little better all the time (can't get no worse)

Yes, I admit it's getting better

It's getting better since you've been mine
