INTRO: strum D#

D# **C#** **G#**
Without going out of my door
I can know all things of earth
Without looking out of my window
I could know the ways of heaven

G# **D#**
The farther one travels
 D# **C#**
The less one knows
 C# **G#**
The less one really knows

Without going out of your door
You can know all things of earth
With out looking out of your window
You could know the ways of heaven

The farther one travels
The less one knows
The less one really knows

D# **G#** **D#** **D#**
Arrive without travelling
 D# **G#** **D#**
