```
                                 E
You know you make me want to Shout!
              C#m
Take my finger Shout!
                       E
Throw my hands back Shout!
                 C#m
Kick my heels up Shout!
             E
Come on now. Shout!

            C#m
Take it easy Shout!
             E
Take it easy Shout!
          C#m
Take it easy Shout!

                      E
A little bit softer now. Shout!
                        C#m
A little bit softer now. Shout!
                      E
A little bit softer now. Shout!
                        C#m
A little bit softer now. Shout!
                      E
A little bit softer now. Shout!
                        C#m
A little bit softer now. Shout!
                      E
A little bit softer now. Shout!
                        C#m
A little bit softer now. Shout!
```

```
                              E
A little bit louder now. Shout!
                                  C#m
A little bit louder now. Shout!
                                E
A little bit louder now. Shout!
                                  C#m
A little bit louder now. Shout!
                                E
A little bit louder now. Shout!
                                  C#m
A little bit louder now. Shout!
                                E
A little bit louder now. Shout!
                                  C#m
A little bit louder now. Shout!

  E               C#m
Hey hey hey hey! (Hey hey hey hey!)
  E               C#m
Hey hey hey hey! (Hey hey hey hey!)

  E               C#m
Hey hey hey hey! (Hey hey hey hey!)
  E               C#m
Hey hey hey hey! (Hey hey hey hey!)

E
Shout!
                      C#m
Jump up and shout now! Shout!
                        E
Jump up and shout now! Shout!
                      C#m
Jump up and shout now! Shout!

                  E
Bloody shout now! Shout!
                C#m
Bloody shout now! Shout!

E                        C#m
Shout! Shout! Shout! Shout! Shout! Shout!
E                        C#m
Shout! Shout! Shout! Shout! Shout! Shout!
```
