The Fool On The Hill (Lennon/McCartney)

Day after day alone on the hill,

D Em

The man with the foolish grin is keeping perfectly still,

Em A

But nobody wants to know him,

D Hm

They can see that he s just a fool,

And he never gives an answer,

Dm

But the fool on the hill

A#

Sees the sun going down,

C

And the eyes in his head,

Dm

See the world spinning around.

Well on his way his head in a cloud,
The man of a thousand voices talking percetly loud
But nobody ever hears him,
Or the sound he appears to make,
And he never seems to notice,
But the fool on the hill . . .
Nobody seems to like him
They can tell what he wants to do.
And he never shows his feelings,
But the fool on the hill . . .
