

Think for yourself
The Beatles

(George Harrison)

{Intro:} **G G# Am**

Dm Bb
I ve got a word or two,
C G G# Am
To say about the things that you do
Dm Bb
You re telling all those lies,
C G Am
About the good things that we can have if we close our eyes

C/G
Do what you want to do,
G
And go where you re going to
Bb
Think for yourself,
D G
Cos I won t be there with you

I left you far behind,
The ruins of the life that you have in mind
And though you still can t see,
I know your mind s made up you re gonna cause more misery

Although your mind s opaque,
Try thinking more if just for your own sake
The future still looks good,
And you ve got time to rectify all the things that you should
