

Tommorow Never Knows
The Beatles

the other person who did this song was right is is completely in C but you have to throw a C11 in there to make it sound just right and accent the melody.

The Beatles
Tommorow Never Knows
(Lennon/McCartney)

C#

Turn off your mind relax and float downstream

C#11

It is not dying It is not dying

C#

Lay down all thoughts, surrender to the void

C#11

It is shining It is shining

C#

That you may see the meaning of within

C#11

It is being It is being

C#

That love is all and love is everyone

C#11

It is knowing It is knowing

C#

That ignorance and haste may mourn the dead

C#11

It is believing It is believing

C#

But listen to the colour of your dream

C#11

It is not living It is not living

C#

Or play the game of existence to the end

C#11

Of the beginning Of the beginning Of the beginning...

(piano and fade out)

define:

C (X35553) or (X32010) i like to use the barre form because its easier.

C#11 (X33333)
