

**Tommorow Never Knows**  
**The Beatles**

the other person who did this song was right is is completely in C but you have to throw a C11 in there to make it sound just right and accent the melody.

The Beatles  
Tommorow Never Knows  
(Lennon/McCartney)

**C#**

Turn off your mind relax and float downstream

**C#11**

It is not dying It is not dying

**C#**

Lay down all thoughts, surrender to the void

**C#11**

It is shining It is shining

**C#**

That you may see the meaning of within

**C#11**

It is being It is being

**C#**

That love is all and love is everyone

**C#11**

It is knowing It is knowing

**C#**

That ignorance and haste may mourn the dead

**C#11**

It is believing It is believing

**C#**

But listen to the colour of your dream

**C#11**

It is not living It is not living

**C#**

Or play the game of existence to the end

**C#11**

Of the beginning Of the beginning Of the beginning...

(piano and fade out)

define:

C (X35553) or (X32010) i like to use the barre form because its easier.

**C#11** (X33333)
