

**Tommorow Never Knows**  
**The Beatles**

the other person who did this song was right is is completely in C but you have to throw a C11 in there to make it sound just right and accent the melody.

The Beatles  
Tommorow Never Knows  
(Lennon/McCartney)

**D**  
Turn off your mind relax and float downstream  
    **D11**  
It is not dying It is not dying  
    **D**  
Lay down all thoughts, surrender to the void  
    **D11**  
It is shining It is shining  
    **D**  
That you may see the meaning of within  
    **D11**  
It is being It is being  
    **D**  
That love is all and love is everyone  
    **D11**  
It is knowing It is knowing  
    **D**  
That ignorance and haste may mourn the dead  
    **D11**  
It is believing It is believing  
    **D**  
But listen to the colour of your dream  
    **D11**  
It is not living It is not living  
    **D**  
Or play the game of existence to the end  
    **D11**  
Of the beginning Of the beginning Of the beginning...

(piano and fade out)

define:

C (X35553) or (X32010) i like to use the barre form because its easier.  
**D11** (X33333)
