And the people-who hide themselves be - hind a wall of illu sion

Never glimpse the truth-then it s far too late-when they pass away.

We were talking-about the love we all could share-when we find it
C Csus2 C Csus4 C Csus4 C
To try our best to hold it there-with our love
Csus4 C7 C Csus4 C C7 C
With our love-we could save the world-if they only knew.

Try to realize it s all within yourself

No-one else can make you change

And to see you re really only very small,

And life flows ON within you and with out you.

Solo: C5

We were talking-about the love that s gone so cold and the people,
Who gain the world and lose their soul-
They don t know-they can t see-are you one of them?
When you ve seen beyond yourself-then you may find, peace of mind,
Is waiting there-
And the time will come when you see
we re all one, and life flows on within you and without you.
