

All Alone
The Beautified Project

Em

Watching the mirror stare at me

Watching the future spit on me

Am

Watching me going down

Em

It was hard watching you walk away.

Am

Em

Sitting here all alone

Am

Em

Comes tomorrow Iâ€™ll be gone

C

D

Even my neighbour Jerry the nun

Am

Em

Hasnâ€™t got a clue whatâ€™s going on.

Em

Getting high all alone

All our lives pretending clones

Am

What is wrong with a bit of shame?

Em

When you know youâ€™re the one to blame.

Am

Em

Whispers will turn to louder screams

Am

Em

My life will fall like an autumn leaf

C

Am

Shadows of the past haunting our dreams

C

G

Tonight is the night and Iâ€™m so pleased.

G

hey, hey pain â€|
