

I Need To Give This Broken Heart Away
The Beautiful Girls

G **D**
All my life I have learned
G **D**
To say goodbye
 G
But it still hurts
 D **Em** Riff 1
Are we defined by what we hold?

G **D**
But armor breaks
 G
And fire burns
 D **G**
On the way to lessons learned
 D **Em** Riff 1
Thoughts escape just like it burned...

G **D**
Off into the moonlight
Am **Em** Riff 1 **G**
I need to give this broken heart away
 D **Em** Riff 1
So I close my eyes..

G **D**
And wish you the goodbye,
Am **Em** Riff 1
That I had hoped I d never have to say
G **Em** Riff1
I ll miss your smile

G **D** **Em** Riff1
Oh, this may take more then a little while

And you know I m no good
At chasing things that i should
Another rain though I broke.

I never told you how much
You gave to him, but
I know you know
And thats enough

Off into the moonlight
I need to give this broken heart away

So I close my eyes

And wish you the goodbye,
That I had hoped I d never have to say
I ll miss your smile

Oh, this may take more then a little while.
