Intro and verse - C has a middle finger hammer in it Strumming D UDUDUD

Am here is my latest mistake

C

seems I confess every day

Am G

and lately nothing has changed

and I just want to let you know

C **G** four beats

I ll be sorry if you go, away

Am C G 3 times again F C G

Same as verse 1

here is the day that we slide down this mountain side this life there s nowhere to hide and I don t want to let you go maybe we could just go home

C

this waiting s too much

how I wish my heart was strong enough

now look what we ve done

we re so far away from where we begun

I d hold you so close

but I m too scared to hope

that we just maybe,

just may be okay

for the rest of our days

that s too much to change, but anyway CANT HELP YOU HERE SORRY!!!!

let s just get through tonight
let s just get through tonight
let s just get through tonight
let s just get through
