

Impending liberation for all but me, the space of emptiness.
I d waver a million times, be too under to see your preciousness.
And our love will live on even when we die, I ve dreamt
so long about a place for you and i to live,
to live and remember, this life.

PRECHORUS:

Am **G** **Em**
And i don t know why the reason is
Am **G** **F**
that we are both here.

BRIDGE:

C **C1 C2 C3 C4x2 C3**
Well sure now at least shall find it.
C **C1 C2 C3 C4x2 C3**
Now i know the way i want to give it to you.

And where-ever i go i want to take you there.

C1 C2 C3 C4x2 C3
At least we shall live. (repeat)
