Intro: **G# A# C# G#** | 2x

Verse:

G#

Well I kept fantasizing your eyes were wide open

A#

and it made me long for little last night

C#

Yes it was frantic, it was young, it was sweet

G#

But a sweet worth every bite

G#

Now I m not normally one to be greedy

A#

But I had to be greedy with you

C#

5 days, 6 days. the whole of the month

G#

wouldn t satisfy my only sweet tooth

G#

Well it can take many years to forge a friendship

A#

It can take a lifetime to get close

C#

But we took all the shortcuts,

used our hearts as a map

G#

and we still got closer than most

A#
and wish that every dream you have will come true
C#
5 years, 6 years, the whole of your life
G#
I ll be wishing for the riches for you

You dashed pretty s only chance of a compliment
A#
and gave the plain the blues

Turned supermodel into last year s pull
G#
and got her down shining your shoes

A#
of the ordinary folks bad news

G#
If she really doesn t like to lose.
