This song should really be played in the key of E to be plucked the same as the recording, but this version will do well for strummers.

Prettiest Eyes
by Beautiful South

transcribed by Rob Matson

C F
Line One is the time

C G F C
when you, you first stayed over at mine.

G F C
And we drank our first bottle of wine.

G F C
Then we cried.

F
Two, we re away,

C G F C
and we both, we both had nowhere to stay.

G F C
Well the bus shelters always okay,

G F C
when you re young.

BRIDGE:

C F
Now you re older and I look at your face,

C **F**
Every wrinkle is so easy to place,

C **Am**
And I only write them down just in case

G
You should die.

CHORUS 1:

C **Am**
Just take a look at these crows feet, just look

F **G**
Sitting on the prettiest eyes,

C **Am**
Sixty twenty-fifth of Decembers,

F **G**
Fifty-nine fourth of Julys.

F **G**
Not through the age or the failure children,

C **Am**
Not through the hate or despise.

C **Am**
Take a good look at these crows feet,

G **F** **C**
Sitting on the prettiest eyes

VERSE 2:

Line Three, I forget,
But I think, I think it was our first ever bet,
And the horse we backed was short of a leg --
Never mind

Four, in a park,
And the things, the things that people do in the dark.
I could hear the faintest beat of your heart
Then we did.

Repeat BRIDGE

CHORUS 2:

Just take a look at these crows feet, just look

Sitting on the prettiest eyes

60 25th of Decembers

59 4th of Julys

You can t have too many good times children

You can t have too many lines

Take a good look at these crows feet sitting on the prettiest eyes

C **F** **C**

Well my eyes look like a map of the town

C **F** **C**

And my teeth are either yellow or they re brown

F **G** **C** **Am**

But you ll never hear the crack of a frown when you are here

F **G** **C**

No you ll never hear the crack of a frown.

Of a frown...
