This song should really be played in the key of ${\tt E}$ to be plucked the same as the recording, but this version will do well for strummers.

VERSE 2:

Line Three, I forget,
But I think, I think it was our first ever bet,
And the horse we backed was short of a leg -Never mind

Four, in a park,
And the things, the things that people do in the dark.
I could hear the faintest beat of your heart
Then we did.

Just take a look at these crows feet, just look

Sitting on the prettiest eyes
