Capo 3rd Fret - Standard Tuning

Am **Em**
All the secrets we have shared
Am **Em**
Have moved to a couple better paired
Am **Em** **Am**
So if he impales himself on javelin or spike
Em **Am**
I will try my best to be the perfect lookalike

And if he wants to be smart
And enter a property quiz
Every weed in the garden s mine but the lawnmower s his
Am **Em** **Am** **Em** **G**
Every weed in the garden s mine but the lawnmower s his

Chorus

Am **D** **G**
And if his manhood needs the help of scaffold or even a winch
Am **D** **G**
I will gladly supplement that extra little inch
C **G** **D**
And if it ever reaches tie-break at the property quiz
Am **D** **G** **D** **Em**
If they ve got my fingerprints on, they re my tits and fanny not his
Am **D** **G**
If they ve got my fingerprints on, they re my not his

Now you ve found someone new
May I watch him do what I used to do
So if he dies an ugly death or even if he faints
I ll be there at the window with my face pressed up against

Maybe I shouted too loud
Maybe you were blissfully deaf
But I hope he s a better sport than he was a ref
I hope he s a better sport than he was a ref

And if his manhood needs the help of scaffold or even a winch
I will gladly supplement that extra little inch
And if it ever reaches tie-break at the property quiz
If they ve got my fingerprints on, they re my tits and fanny not his
If they ve got my fingerprints on, they re my not his

I hope he likes to fly
And is a good host to every guest
Cause there s less chance of dying in a
crash than being bored to death
Yes there s less chance of dying in a crash than being bored to death

And if his manhood needs the help of scaffold or even a winch
I will gladly supplement that extra little inch
And if it ever reaches tie-break at the property quiz
If they ve got my fingerprints on, they re my tits and fanny not his
If they ve got my fingerprints on, they re my not his

Now you ve found someone new
