Property Quiz

Capo 3rd Fret - Standard Tuning

**Am** **Em**  
All the secrets we have shared  
**Am** **Em**  
Have moved to a couple better paired  
**Am** **Em** **Am**  
So if he impales himself on javelin or spike  
**Em** **Am**  
I will try my best to be the perfect lookalike

And if he wants to be smart  
And enter a property quiz  
Every weed in the garden s mine but the lawnmower s his  
**Am** **Em** **Am** **Em** **G**  
Every weed in the garden s mine but the lawnmower s his

Chorus

**Am** **D** **G**  
And if his manhood needs the help of scaffold or even a winch  
**Am** **D** **G**  
I will gladly supplement that extra little inch  
**C** **G** **D**  
And if it ever reaches tie-break at the property quiz  
**Am** **D** **G** **D** **Em**  
If they ve got my fingerprints on, they re my tits and fanny not his  
**Am** **D** **G**  
If they ve got my fingerprints on, they re my not his

Now you ve found someone new  
May I watch him do what I used to do  
So if he dies an ugly death or even if he faints  
I ll be there at the window with my face pressed up against

Maybe I shouted too loud  
Maybe you were blissfully deaf  
But I hope he s a better sport than he was a ref  
I hope he s a better sport than he was a ref

And if his manhood needs the help of scaffold or even a winch  
I will gladly supplement that extra little inch  
And if it ever reaches tie-break at the property quiz  
If they ve got my fingerprints on, they re my tits and fanny not his  
If they ve got my fingerprints on, they re my not his

I hope he likes to fly  
And is a good host to every guest  
Cause there s less chance of dying in a  
crash than being bored to death  
Yes there s less chance of dying in a crash than being bored to death

And if his manhood needs the help of scaffold or even a winch  
I will gladly supplement that extra little inch  
And if it ever reaches tie-break at the property quiz  
If they ve got my fingerprints on, they re my tits and fanny not his  
If they ve got my fingerprints on, they re my not his

Now you ve found someone new
