

**No Atmosphere**  
**The Bees**

No Atmosphere  
by The Bees  
from the album Free The Bees

**G E G A**  
There s no  
**B**  
Atmosphere  
**D**  
On the moon  
**G E G A**  
Much like the vibe in the room  
**B**  
Cold, closed out  
**D**  
Needs more fuel  
**G E G A**  
Because it s too damn cool  
**B**  
Like old King Cole  
**D**  
He grew too old  
**G E G A**  
Died and didn t get his wish  
**B D**  
To be super rich and forever young  
  
**G E G A**  
Well I guess that s one step back  
**B**  
Well that s ones step back  
**D**  
Well that s ones step back  
  
**A**  
  
**G B**  
You know he did not go  
**D**  
Without leaving a stitch  
  
To his wife  
**G E G A**  
Who was a saucy dish  
**B**  
You know he owed her money

**D**

And that s sort of funny

**G E G A**

With no room to negotiate

**B**

Before he passed

**D**

The pearly gates

**G E G A**

And she made his grave from slate

**B**

It s not even straight

**D**

Not even straight

**A**

[Solo]

**G E G A**

Well that s one

**B**

Well that s one step back

**D**

Well that s one step back

**G E G A**

Well that s one

**B**

Well that s one step back

**D**

Well that s one step back

**A**

To get the rhythm of the song it is best to listen to it from their album Free
