

Bellas Lullaby
The Bella Cullen Project

I think it s right. It s a pretty simple song. Enjoy!

C **Am**
Life was like a moonless night

G **C**
Shrouded in the stars

Beauty can be such a fright

G **C**
But now you re in my arms

[Chorus]

You are my life now

G
Can t you see

Am7
I d cross oceans

G
I d swim seas

F
To be with you

C
That s enough for me.

C **Am**
Your face is like a poison

G **C**
Intoxicating me

C **Am**
How can we live forever

G

C

When our love can never be.

[Chorus]

Am7

You are my life now

G

Can t you see

Am7

I d cross oceans

G

I d swim seas

F

To be with you

C

That s enough for me.
