

Moody Manitoba Morning
The Bells (Canada)

G **Am** **C** **D**
It s a moody manitoba morning
G **Am** **C** **D**
Nothing s really happening, it never does
G **Am** **C** **D**
Just got up and waited for the mailman
G **Am** **C** **D**
To bring me a letter that never was
Em **C** **Am** **C**
I m not sad or happy just living day by day
G **Am** **C** **D**
It s a moody manitoba morning
G **Am** **C** **D**
And i like it that way

It s a long and kind of gentle
Lazy prairie town afternoon
The sky is high
I can fell the grass growing
From yesterday s rain
Sun s a glowing and so am i
I read the afternoon paper
To see where the world was at

It s a long and kind of gentle lady day
And i like it like that
It s a quiet, welcome, lively
Sort of leisurely past the evening
It s after nine
Go slowly walking up and down
The main street with a special girl
Things are fine

Now it s time to go home
Tomorrow s another day
Another moody manitoba morning
And we like it that way
Another moody manitoba morning
(come on now)

Moody manitoba monrning (5x)
And we like it that way

Corrections are welcomed.
