**B**  
Last night it was so good  
**A** **E**  
I felt like crying, I felt crying

**B**  
Last night though you looked so cold  
**A** **E**  
I felt like smiling, smiling while I m dying

**B**  
Last night you looked so good  
**A** **E**  
I felt like crying, felt like crying

**B**  
Last night though you looked so old  
**A** **E**  
I felt like smiling, smiling while I m dying

**B** **E**  
You left me cold, you left me cold

**B** **E**  
You left me cold, you left me cold

**A** **E** **B**  
Needles in my eyes won t cripple me tonight, alright

**A** **E** **B**  
Twisting up my mind please pull me through the light, alright

**A** **E** **B**  
Needles in my eyes won t cripple me tonight, alright

**A** **E** **B**  
Twisting up my mind please pull me through the light, alright

**B**  
Last night I dropped my heart  
**A** **E**

And I never wanna see it again

**B**  
Getting tighter with you all the time

**A** **E**  
I think I m gonna my buckle my spine

**B**  
I crept in and I stole your mind  
**A** **E**  
I think, I m having trouble with mine

**B**  
Crept in and I stole your mind  
**A** **E**  
I think, I m having trouble with mine

**B** **E**  
You left me cold, you left me cold

**B** **E**  
You left me cold, you left me cold

**A** **E** **B**  
Needles in my eyes won t cripple me tonight, alright

**A** **E** **B**  
Twisting up my mind please pull me through the light, alright

**A** **E** **B**  
Needles in my eyes won t cripple me tonight, alright

**A** **E** **B**  
Twisting up my mind please pull me through the light, alright
