Future Me Hates Me
The Beths

 [Intro]
B5 D#5 E5 x4

[Verse 1]
B   **E**
I never wanted to
                  B D# E
I didn t want to fall
B   **E**
I don t believe that love s
                B D# E
A good idea at all

(Picked)
                       B
Oh this well designed world
          A   **E**
Everyone that I know is broken
E
And has fell for it before

B5 D#5 E5   x2

[Verse 2]
E
Sometimes
B   **E**
I think I m doing fine
                     B D# E
I think I m pretty smart
B   **E**
I m quite convinced that I
                  B D# E
Can keep myself up high

                       B
Oh then the walls become thin
               A
And somebody gets in
            E
Everything s less
                    B5 D#5
But it won t happen again
E5   **B5 D#5 E5**
It probably won t happen again

```
                        C#m
But there s something about you
          D#m           C#m
There s something about you
          D#m       C#m         D#m
There s something about you
C#m                     N.C.
I wanna risk going through

[Chorus]
              B
Future heartbreak
              C#m
Future headaches
          E
Wide-eyed nights late lying awake
              G#m
With future cold shakes
              A
From stupid mistakes
            E
Future me hates me for
E
Hates me for

B5 D#5 E5    x2

[Verse 3]
B                   E
It s getting dangerous
E                       B D# E
I could get hurt I know
B                   E
I ve counted up the cons
E                         B  D# E
They far outweigh the pros
            B
Oh and if word gets you down
      A
It s a mob or a sound
     E
I am drowning
                      B5 D#5
It s too late for me now
E5                      B5 D#5 E5
   I need you sticking around

[Pre-Chorus]
                    C#m
But there s something about you
```

```
        D#m         C#m
There s something about you
          D#m         C#m         D#m
There s something about you
C#m                     N.C.
I wanna risk going through

[Chorus]
              B
Future heartbreak
              C#m
Future headaches
            E
Wide-eyed nights late lying awake
                G#m
With future cold shakes
            A
From stupid mistakes
          E
Future me hates me for
E
Hates me for
              B
Future heartbreak
              C#m
Future headaches
              E
Wide-eyed nights late lying awake
                G#m
With future cold shakes
            A
From stupid mistakes
            E
Future me hates me for
E
Hates me for

[Instrumental Pre-Chorus]
C#m     D#m
C#m     D#m
C#m     D#m
C#m     (pause)

[Chorus]
              B
Future heartbreak
              C#m
Future headaches
              E
Wide-eyed nights late lying awake
```

```
            G#m
With future cold shakes
            A
From stupid mistakes
          E
Future me hates me for
E
Hates me for
              B
Future heartbreak
            C#m
Future headaches
            E
Wide-eyed nights late lying awake
            G#m
With future cold shakes
            A
From stupid mistakes
            E
Future me hates me for
E
Hates me for
```
