LIGHTS ARE CHANGING by The Bevis Frond
BIGHTS ARE CHANGING BY THE BEVIS FIORG
from the album Triptych Woronzow Records W008 1988
(4/4, capo 3rd fret)
(4/4, capo sia fice)
/F C / Bb /F C /Bb /F C /Bb /
/F C / Bb /F C /Bb /F C /Bb /
(bass enters) (lead guitar enters)
F C Bb F
Disappearing out of sight along the open road  Bb F Gm Bb
Into indistinct horizons - they had no time to reload
F C Bb F
Like a silver bullet from a gun, an arrow from a bow
Bb F Gm Bb
Like an equine star you hear about me everywhere you go
Dm C Bb F
All through nebulae I was racing in my mind
Dm C Bb C
I tripped on the light fantastic and I ve never looked behind $\mathbf{F} = \mathbf{F}(\mathbf{E}) = \mathbf{F}(\mathbf{D}) = \mathbf{F}(\mathbf{C}) = \mathbf{B}\mathbf{b} = \mathbf{B}\mathbf{b}$
You slow down you slow down my lights are changing
$\mathbf{F}$ $\mathbf{F}(\mathbf{E})$ $\mathbf{F}(\mathbf{D})$ $\mathbf{F}(\mathbf{C})$ $\mathbf{B}\mathbf{b}$ / $\mathbf{B}\mathbf{b}$ /
You slow down you slow down our lights are changing

```
You fly so high yeah and you move so fast
You re running blindly from the past
              \mathbf{F}(\mathbf{E})
                        F(D)
                                     F(C)
                                                             /Bb/
Slow down you slow down green lights are changing
Cm Bb
Oh changing all the time
Oh changing all the time
F
                            С
                                          Вb
Looking through these hollow eyes across the great unknown
                                Gm
                   F
Growing greater every second, growing harder with each stone
                                  C
                                                   Вb
Yeah and you who judge your freedom by the quantity you score
            Bb
                           F
                                           Gm
Would it make you any freer if you took a little more?
Dm
                             Bb
All that summertime I revolved around your eye
                     C
                                    \mathbf{B}\mathbf{b}
In accelerating spirals in an asymetric sky
                   \mathbf{F}(\mathbf{E})
                             F(D)
