Motherdust  
By Bevis Frond  
From the album  
"A Gathering of Fronds"

Here is a great BF song with one of his cleverest lyrics, telling the tale of a mother/son relationship in question/answer format. The tune is simple but effective and fun to play. Just play the power/barre chords throughout.

Oh you are a horrid child[/tab]  
Weak as piss and running wild  
Suspect eyes, a studied glare  
Hollow gaze and tile-hung hair

Blame me not for the things I do  
I speak in tongues I learned fom you  
Never put your faith in trust  
Just cover me with Motherdust

Oh you are a sight to see  
Black sheep of the family  
Hign on ego, sure to fall  
A disappointment to us all

Do not lay your guilt on me  
By hating what you wrong to me  
For you and I result in us  
Well cover me with Motherdust

Oh you are a foolish kid  
If I d have done the things you did  
I never would have got this far  
And you d be wiser than you are

I have no manners to excuse  
A privelege is to abuse  
For what in life is fair and just?

Weel cover me with Motherdust

Oh you are a spiteful boy  
Your sole concern is to annoy  
The little lad I loved has gone  
I wonder where I went so wrong

Impale me not on failure s spike  
For we are very much alike  
And people do what people must  
Just cover me with Motherdust

For I m your Child  
I m your Child  
I m your Child...
