Hey, Space Captaln won t you tell me more  
About the Roundhouse and the bands you saw  
But never got signed.  
Your velvet trousers, well, they re somewhere upstairs,  
You had lots of hipsters, but you never dug flares,  
Or so you say,  
Who cares anyway?

And the eyedrops taste so sweet,  
But you somehow lost your feet  
On a liquid wheel, on a liquid wheel.

Hey, Cool Daddy was it out of sight  
In a field of mud on the Isle Of Wight,  
Underneath a flag,  
In a paper bag?  
Well, yes it was, but for all you know  
I might be lying, cos you didn t go  
And you know I did,  
You were just a little kid.  
And there s nothing more to say,  
We just let it roll away  
On a liquid wheel, on a liquid wheel
