Dominos
The Big Pink

Hey guys. The chords I am transcribing here are for the acoustic guitar. You can hear
it sounds on an acoustic guitar (professionally recorded) at this youtube link (the video
close ups of the guitar and bass guitar)...
http://www.youtube.com/watch?v=wIcmhE4Dx4w
Please note that I have made the song singer/songwriter friendly, so please refer to the
video link to see how the below lyrics and chords are meant to be played. First tab, so
leave me some feedback :)

The Big Pink - Dominos

INTRO: **D G D G** (hold)

CHORUS
```
                         D            G
These girls fall like dominos, dominos
                         D            G
These girls fall like dominos, dominos
                       D            G
These girls fall like dominos, dominos
                       D            G(hold)
These girls fall like dominos, dominos
```

VERSE
```
                 D         A          D
As soon as I love her it s been too long
            D          A          D
Talks of future with you cave me in
              D          A       D
Swallow my sugar kiss and leave it alone
                  D              A           D (hold)
Hearts collide and smash any dreams of love
```

CHORUS
```
                         D            G
These girls fall like dominos, dominos
                       D            G
These girls fall like dominos, dominos
                       D          G
These girls fall like dominos, dominos
                       D            G(hold)
```

These girls fall like dominos, dominos

VERSE
```
                    D              A             D
```
Three words we shared said too early on
```
              D                A             D
```
Stuck with forever float upon a tear
```
                    D            A        D
```
Swimming with the fear where we slowly drown
```
                 D           A          D (hold)
```
Ending at never haunting melody

CHORUS
```
                          D             G
```
These girls fall like dominos, dominos
```
                          D             G
```
These girls fall like dominos, dominos
```
                        D             G
```
These girls fall like dominos, dominos
```
                      D              G(hold)
```
These girls fall like dominos, dominos

INSTRUMENT BREAK (play **D** to **G**)

VERSE (played quietly)
```
                    D              A             D
```
As soon as I love her it s been too long.
```
           D              A             D
```
And I really love breaking your heart
```
                    D            A       D
```
These silver apples will shine on I was wrong
```
                 D           A          D (hold)
```
The hardest love has the coolest end

CCHORUS
```
                        D             G
```
These girls fall like dominos, dominos
```
                        D             G
```
These girls fall like dominos, dominos
```
                      D           G
```
These girls fall like dominos, dominos
```
                    D               G (*end on D and let ring)
```
These girls fall like dominos, dominos
