

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

Look who just walked in the door **E**
We ve all seen your face before **F#**
It s time to settle up the score **A**
Keep those promises you swore **B**
Look who just walked in the door **E**

VERSE:

Well, you moved to Colorado **E**
Thought the whole damn world would follow
But your troubles were the only thing that did **A**
In a suitcase full of lonely **C#m**
A longing for the good ol times was here **B** **A** **A-Ab-G-F#**
But now you re back again **F#**
And it looks like you found a friend
I just bought the bottle for your kid **B**

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

E F# G Ab

Driving through through the midnight rain **G Ab**

Driving through through the midnight rain **G Ab**

Driving through through the midnight rain

Ab--G--Ab--A

Raaaaaaaaainnnnnnnnn

E F#

Travelin oooooooooon

B

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station
With your thoughts of immigration
You rode a loaded Greyhound through the night
Cryin like a loon as that Minnesota Moon shining bright
But now you re back again
And it looks like you found a friend
The two of us will be soaring like a kite

CHORUS
