

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

Look who just walked in the door **F**
We ve all seen your face before **G**
It s time to settle up the score **Bb**
Keep those promises you swore **C**
Look who just walked in the door **F**

VERSE:

Well, you moved to Colorado **F**
Thought the whole damn world would follow
But your troubles were the only thing that did **Bb**
In a suitcase full of lonely **Dm**
A longing for the good ol times was here **C** **Bb** **Bb-A-G#-G**
But now you re back again **G**
And it looks like you found a friend
I just bought the bottle for your kid **C**

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

F G G# A

Driving through through the midnight rain **G# A**

Driving through through the midnight rain **G# A**

Driving through through the midnight rain

A--G#--A--Bb

Raaaaaaaaainnnnnnnnn

F G

Travelin oooooooooon

C

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station
With your thoughts of immigration
You rode a loaded Greyhound through the night
Cryin like a loon as that Minnesota Moon shining bright
But now you re back again
And it looks like you found a friend
The two of us will be soaring like a kite

CHORUS
