

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

Look who just walked in the door **D**
We ve all seen your face before **E**
It s time to settle up the score **G**
Keep those promises you swore **A**
Look who just walked in the door **D**

VERSE:

Well, you moved to Colorado **D**
Thought the whole damn world would follow
But your troubles were the only thing that did **G**
In a suitcase full of lonely **Bm**
A longing for the good ol times was here **A** **G** **G-F#-F-E**
But now you re back again **E**
And it looks like you found a friend
I just bought the bottle for your kid **A**

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

D E F F#

Driving through through the midnight rain **F F#**

Driving through through the midnight rain **F F#**

Driving through through the midnight rain

F#--F--F#--G

Raaaaaaaaainnnnnnnnn

D E

Travelin oooooooooon

A

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station
With your thoughts of immigration
You rode a loaded Greyhound through the night
Cryin like a loon as that Minnesota Moon shining bright
But now you re back again
And it looks like you found a friend
The two of us will be soaring like a kite

CHORUS
