

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

Look who just walked in the door **F#**
We ve all seen your face before **G#**
It s time to settle up the score **B**
Keep those promises you swore **C#**
Look who just walked in the door **F#**

VERSE:

Well, you moved to Colorado **F#**
Thought the whole damn world would follow
But your troubles were the only thing that did **B**
In a suitcase full of lonely **Ebm**
A longing for the good ol times was here **C#** **B** **B-Bb-A-G#**
But now you re back again **G#**
And it looks like you found a friend
I just bought the bottle for your kid **C#**

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

F# G# A Bb

Driving through through the midnight rain **A Bb**

Driving through through the midnight rain **A Bb**

Driving through through the midnight rain

Bb--A--Bb--B

Raaaaaaaaainnnnnnnnn

F# G#

Travelin oooooooooon

C#

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station
With your thoughts of immigration
You rode a loaded Greyhound through the night
Cryin like a loon as that Minnesota Moon shining bright
But now you re back again
And it looks like you found a friend
The two of us will be soaring like a kite

CHORUS
