

**Minnesota Moon**  
**The Big Wu**

Minnesota Moon

CHORUS:

Look who just walked in the door **G**  
We ve all seen your face before **A**  
It s time to settle up the score **C**  
Keep those promises you swore **D**  
Look who just walked in the door **G**

VERSE:

Well, you moved to Colorado **G**  
Thought the whole damn world would follow  
But your troubles were the only thing that did **C**  
In a suitcase full of lonely **Em**  
A longing for the good ol times was here **D C C-B-Bb-A**  
But now you re back again **A**  
And it looks like you found a friend  
I just bought the bottle for your kid **D**

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor  
You were hired as a banker  
And you got yourself a home up in the hills  
But thunder on the prairie was the only remedy for your ills

But now you re back again  
And it looks like you found a friend  
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

**G A Bb B**

Driving through through the midnight rain **Bb B**

Driving through through the midnight rain **Bb B**

Driving through through the midnight rain

**B--Bb--B--C**

Raaaaaaaaainnnnnnnnn

**G A**

Travelin oooooooooon

**D**

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station  
With your thoughts of immigration  
You rode a loaded Greyhound through the night  
Cryin like a loon as that Minnesota Moon shining bright  
But now you re back again  
And it looks like you found a friend  
The two of us will be soaring like a kite

CHORUS
