

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

G#
Look who just walked in the door
Bb
We ve all seen your face before
C#
It s time to settle up the score
Eb
Keep those promises you swore
G#
Look who just walked in the door

VERSE:

G#
Well, you moved to Colorado

Thought the whole damn world would follow
C#
But your troubles were the only thing that did
Fm
In a suitcase full of lonely
Eb **C#** **C#-C-B-Bb**
A longing for the good ol times was here
Bb
But now you re back again

And it looks like you found a friend
Eb
I just bought the bottle for your kid

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

G# Bb B C

Driving through through the midnight rain **B C**

Driving through through the midnight rain **B C**

Driving through through the midnight rain

C--B--C--C#

Raaaaaaaaainnnnnnnnn

G# Bb

Travelin oooooooooon

Eb

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station

With your thoughts of immigration

You rode a loaded Greyhound through the night

Cryin like a loon as that Minnesota Moon shining bright

But now you re back again

And it looks like you found a friend

The two of us will be soaring like a kite

CHORUS
