

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

Look who just walked in the door **G#**
We ve all seen your face before **Bb**
It s time to settle up the score **C#**
Keep those promises you swore **Eb**
Look who just walked in the door **G#**

VERSE:

Well, you moved to Colorado **G#**
Thought the whole damn world would follow
But your troubles were the only thing that did **C#**
In a suitcase full of lonely **Fm**
A longing for the good ol times was here **Eb** **C#** **C#-C-B-Bb**
But now you re back again **Bb**
And it looks like you found a friend
I just bought the bottle for your kid **Eb**

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

G# Bb B C

Driving through through the midnight rain **B C**

Driving through through the midnight rain **B C**

Driving through through the midnight rain

C--B--C--C#

Raaaaaaaaainnnnnnnnn

G# Bb

Travelin oooooooooon

Eb

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station
With your thoughts of immigration
You rode a loaded Greyhound through the night
Cryin like a loon as that Minnesota Moon shining bright
But now you re back again
And it looks like you found a friend
The two of us will be soaring like a kite

CHORUS
