

Minnesota Moon
The Big Wu

Minnesota Moon

CHORUS:

A
Look who just walked in the door
B
We ve all seen your face before
D
It s time to settle up the score
E
Keep those promises you swore
A
Look who just walked in the door

VERSE:

A
Well, you moved to Colorado

Thought the whole damn world would follow
D
But your troubles were the only thing that did
F#m
In a suitcase full of lonely
E **D** **D-C#-C-B**
A longing for the good ol times was here
B
But now you re back again

And it looks like you found a friend
E
I just bought the bottle for your kid

CHORUS

REPEAT VERSE CHORDS:

You went and dropped the anchor
You were hired as a banker
And you got yourself a home up in the hills
But thunder on the prairie was the only remedy for your ills

But now you re back again
And it looks like you found a friend
My pocketbook is loaded to the gills

JAM JAM JAM (Just repeat Chorus progression)

End Jam w:

A B C C#

Driving through through the midnight rain **C C#**

Driving through through the midnight rain **C C#**

Driving through through the midnight rain
C#--C--C#--D

Raaaaaaaaainnnnnnnnn

A B

Travelin oooooooooon

E

Goin hoooooooooome

REPEAT VERSE CHORDS:

They left you at the station
With your thoughts of immigration
You rode a loaded Greyhound through the night
Cryin like a loon as that Minnesota Moon shining bright
But now you re back again
And it looks like you found a friend
The two of us will be soaring like a kite

CHORUS
