

Kill The Lights
The Birthday Massacre

CAPO ON 1st

Intro: **G,C,D,A,G**

G **C**
This story s missing a wishing well
D
No mirror to show and tell
A
No kiss that can break the spell
G
I m falling asleep

G **C**
Every prince is a fantasy
D
The witch is inside of me
A **G**
Her poison will wash away the memory

G **C**
We kill the lights and put on a show
G **Am**
It s all a lie but you d never know
G **C**
The star will shine and then it will fall
A **G** **G...**
And you will forget it all

C
And after midnight we re all the same
D
No glass shoe to bring us fame
A
Nobody to take the blame
G
We re falling apart

G **C**
Every story s a waiting game
D
A flower for every name
A
Their colors are paling
G
In the falling rain

G **C**
We kill the lights and put on a show
G **Am**
It s all a lie but you d never know
G **C**
The star will shine and then it will fall
A **G** **G...**
And you will forget it all

C
Now you know

Am
It s so much better to pretend
C
There s something waiting for you here
Am
Every letter that you wrote
C
Has found its way to me, my dear
C **G**
You can make believe that what you say
C **G**
Is what I want to hear
G
I ll keep dancing through this
C **D** **G**
Beautiful delusional career
C
Faking every tear
Am **C**
Looking like a compromise suicide
G
Keeping all my dreams alive
