Kill The Lights The Birthday Massacre

CAPO ON 1st

Intro: G,C,D,A,G

G C

This story s missing a wishing well

D

No mirror to show and tell

Α

No kiss that can break the spell

G

I m falling asleep

G C

Every prince is a fantasy

D

The witch is inside of me

1

Her poison will wash away the memory

G C

We kill the lights and put on a show

G Am

It s all a lie but you d never know

3 C

The star will shine and then it will fall

A G G..

And you will forget it all

C

And after midnight we re all the same

D

No glass shoe to bring us fame

Α

Nobody to take the blame

G

We re falling apart

G C

Every story s a waiting game

D

A flower for every name

Α

Their colors are paling

G

In the falling rain

We kill the lights and put on a show Am It s all a lie but you d never know The star will shine and then it will fall G And you will forget it all Now you know Am It s so much better to pretend There s something waiting for you here Every letter that you wrote Has found its way to me, my dear You can make believe that what you say Is what I want to hear I ll keep dancing through this Beautiful delusional career Faking every tear Am Looking like a compromise suicide Keeping all my dreams alive
