Weekend
The Birthday Massacre

TUNED DOWN A FULL STEP

CHORDS

C#m - x46654
A   - x02220
B   - x24442
F#m - 244222
E   - 022100

Intro - **C#m A B C#m A B F#m A** x2

C#m   **B**
    Lights out, Boys sleepwalking on the weekend.
A   **E**   **B**
    Black out, Two nights killing off a best friend
C#m   **B**
    Fall out like soldiers walking off the deep end
A   **E**   **B**
    Hands out, Don t stop marching til the hearts rend

A   **E**   **B**
   The time goes by and sets the stage
                            (**C#m**)   **A**
   They play their parts and act their age
                   E   **B**
   They never forget the lines that they say

   Speaking slowly

C#m   **A**   **B**   **C#m**
   I promise you one day
A   **B**   **F#m**   **A**
   I promise you always
C#m   **A**   **B**   **C#m**
   We ll make it out one day
A   **B**   **F#m**   **A**
   I promise you always

C#m   **B**
   Nights out, Girls keep on walking on the east end

```
A                 E                           B
    White out, Two lights shining on a dead end
C#m                                           B
    Drawn out like circles trailing off the pavement
A                 E                           B
    Stand out, Don t stop marching til the hearts mend

A                 E                   B
    As time goes by, we set the stage
                            (C#m)         A
    We play our parts and act our age
                    E                   B
    We ll never forget the words they d say

    Talking slowly

C#m    A          B      C#m
    I promise you one day
A      B          F#m    A
    I promise you always
C#m       A          B        C#m
    We ll make it out one day
A        B          F#m    A
    I promise you always

Instrumental - E  B  F#m  C#m  E  B  A  B x2

C#m    A          B      C#m
    I promise you one day
A      B          F#m    A
    I promise you always
C#m       A          B        C#m
    We ll make it out one day
A        B          F#m    A
    I promise you always

Outro - C#m  A  B  C#m  A  B  F#m  A  x2
