[Intro]
Am   G6   D   C   Am   G6

[Verse 1]
```
        Am
If you want to tell me something
        G6
That I need to know
      D      C    Am           G6
Tell me now, right now
          Am                    G6                         D
I wanna hear it, hear it, tell it to my ears
C                   Am
Tell it to my ears
```

[Chorus]
```
Am                                   G6
You don t have to call me by my name

                                          D
You don t have to treat me like your friend
                                        C
I don t want it, don t want it
          Am          G6
I don t want it
```

[Break]
Am   G6   D   C   Am   G6

[Verse 2]
```
        Am                              G6
You ve said enough so now I want you to disappear
          D        C       Am          G6
Don t you call me, don t you call me
      Am                    G6
But I know you ll call me after all
            D        C       Am
You re gonna ring me off the wall
```

[Chorus] x2
Am   **G6**
You don t have to call me by my name

                                                              D
You don t have to treat me like your friend

                                                    C
I don t want it, don t want it
        Am   **G6**
I don t want it

[Solo] @2:17
Am   **G6**   **D**   **Am**   (repeat)

[Chorus] @3:17 (single strum)
Am   **G6**
You don t have to call me by my name

                                                              D
You don t have to treat me like your friend

I don t want it, don t want it
        Am   **G6**
I don t want it

Am   **G6**
You don t have to call me by my name

                                                              D
You don t have to treat me like your friend

                                                    C
I don t want it, don t want it
        Am   **G6**
I don t want it

[Chorus] x2
Am   **G6**
You don t have to call me by my name

                                                              D
You don t have to treat me like your friend

                                                    C
I don t want it, don t want it
        Am   **G6**
I don t want it

[Outro]
Am   **G6**   **D**   **C**   **Am....**
