

Girl From A Pawnshop
The Black Crowes

Girl from a Pawnshop
Three Snakes and One Charm
The Black Crowes

For the record, I only figured out the main chords. You can play this along with the song and have it sound fine, and it s great for playing the song solo.

Verse 1:

C
With pawnshop eyes and a second hand frown
F **C**
she sat silent at the table

Her boots were brown, should she leave town
F **C**
To play the role of lover ex-patriot

A nod to the waiter, always her flirty behavior,
F **C**
You know she always gets one on the house

She pulls out a letter from a bag under her sweater
F **C**
And before she reads she straightens her blouse

Pre-Chorus:

G **C** **G** **C**
There s a passion in being alone A grace in a loveless time
G **C**
There s no new cross, there s no new sign
D **G**
only the sun and the changing tide

Chorus:

Em **D**
And out of respect, well I really must confess
C
I never lost your number I never
G
lost your address
Em
And if we remain friends at best
D
Sometime later no, no not yet
C **G**
we ll smile and remember it like this

Verse 2:

C

She put back the letter, one tear

falls like a feather

F

And disappears

C

on this bar room floor

The gratuity included, you know

the letter concluded

F

C

P.S. All my love

Pre-Chorus

Chorus

Solo chords same as chorus, then

G Gmaj Cadd9 D

Ending:

G Gmaj Cadd9 D

P.S. All my love

Play the ending as many times as feels right. It has a super nice sound and I like

to play it quite a few times getting quieter and quieter on the last 3 or 4.

Enjoy!
