Before you begin : there s a chord in there, I don t know what it s called, so I
ll
                    just call it D(special), and it s like this :

   D(special)
 --0--
 --3--
 --0--
 --4--
 --5--
 --5--

It s C, but two frets higher.

intro : **D F#m G**
        Em F C

(with sologuitar)   **D F#m G**
                      Em F C

(with bass)   **D F#m G**
                      Em F C

(all together)   **G C**
                     G C
                     G C
                     G C

                         G   **C**
1. i ve been lost in the headlights
            G   **C**
   all night long
                 G   **C**   **G**   **C**
   said i ve felt taller, yes i heard the dealer s song

```
  G    C           D(special) C
   say babe don t mark me absent
 G    C          D(special) C
   i only missed out by a fraction
 G C             D(special)    C
   be the sun that bursts through my clouds
 G      C                D(special)      C
   it s hard enough just living on this ground

chorus :

 D   F#m         G
   say don t pretend to me
Em   F                           C
   i beg and i plead, your sunflower i need
 D           F#m             G
   thought nothing would surprise me
Em          F
   i was wrong now i see
           C
   come on baby and just do me if you please

G C
G C
G C
G C

                  G        C
2. this made me reminiscing
                    G       C
   about the honey we made
                      G         C
   i feel warm in your blizzard
                  G       C
   and your flood i crave

 G C           D(special) C
   i won t abuse my anger
 G C            D(special) C
   i promise you no lecture
 G C          D(special)  C
   come be the sun bursting through my clouds
 G          C           D(special)    C
   it s hard enough just living on the ground

chorus

solo : Am Bb C G (8x)

Comments and stuff : wheylen@zorro.ruca.ua.ac.be
(If anybody knows the name of my D(special)-invention, I d love to know it.
 I m not even sure whether that s the right chord or not.)
